The club

Casa Tango Club is the home of Argentine tango in Casablanca. Founded by Samia Eddamanhoury, the club keeps tango alive all year round: classes for all levels, intensive workshops with international maestros, regular practicas and milongas, tango trips and cultural gatherings — tango café, talks, concerts.

The founder

Samia Eddamanhoury — founder of Casa Tango Club and member of the Moroccan Argentine Tango Association (AMTA). Dancer, organizer and self-proclaimed “Tango Dealer”, she made the club the engine of Morocco’s tango scene: in 2025 she opened the Jazzablanca festival dancing tango to Hindi Zahra’s live music, alongside maestro Santiago Mués. She carries the Casablanca Tango Cup as a bridge between Morocco, Africa and the tango world.
